# The Chapman Family

August 10, 2018

Dear Pastor and Friends,

**Prayer Request** – Mom’s laparoscopy procedure (attaching the intestines to another area of her stomach) went well. While they are unable to remove the tumor, the procedure allows mom the ability to continue to eat. She is healing well and has even gained some weight.

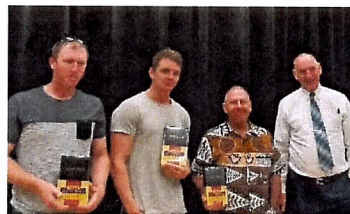

Some family members have bought me a ticket to return to the States for mom’s 92<sup>nd</sup> birthday in September. I will be in Ohio from September 18 – October 16, 2018. Please let me know if you would like for me to come by and give a report to your church.

**Wedding Bells** – It was a joy to officiate Andrew and Courtney’s Wedding. They both wrote their own wedding vows emphasizing their commitment to each other and to God. They were both clear in their testimonies of God’s grace.

**Bible** – Bibles are hard to find in Darwin and expensive to have shipped in. Recently we received a number of gift Bibles and study Bibles. Thanks to Dave Schembera, Paul Weaver and Jim Butler.

The gift Bibles are going to those who do not own a Bible, the young man on the end, Daniel, has been living on a cattle station for the last ten years and has just moved into town to learn about God, we were also able to give one to Andrea to give to her husband, Kim. Please pray for both of these men, Daniel and Kim, that they

would be saved.

The study Bibles are going to our young preachers: Nathan, Andrew, Dean, Anthony and Dylan.

**Bible Study** – On Wednesday nights we are studying Psalm 119, **The ABC’s of the Christian Life – A Personal Journal and Journey**. It always amazes me how relevant the Bible is. Dylan is attempting to memorize the whole Psalm, all 176 verses. He is currently up to verse 65.

Thank you for supporting us, both in finances and in prayer.

**God Bless!**
