Dear Partners in the Lord's work,

It is hard to realize that we are two months into 2020 already. We truly need to redeem the times because of the evil days.

The Lord has been good to us. On the first week on January we had our yearly youth camp at Samaipata. That is traveling three hours into the foot of the Andes Mountains. There were around two hundred in attendance and some teens got saved and others dedicated their lives to serve the Lord. My brother-in-law, Samuel Rojas was one of the speakers.

Two hours away from our church in Santa Cruz, there is a church that has been going through hard times.

They suffered a division because part of the people and the leadership decided to keep themselves true to the Lord and to His Word. They asked me to help them. So Mery and I have been traveling there to help this precious church get back on their feet. Please pray for them and that God will provide a pastor to lead them.

Starting AWANA

Last week we held our family camp also at Samaipata. Brother Richard Buitrago preached on restoring the family and I spoke on the Christian and politics. Both themes were very much needed due to the problems the Christian family is facing and the national elections that will take place in our country on May 3. Several also prayed trusting Jesus as their Saviour.

The usual ministries also started at our main church in Santa Cruz. AWANA, JV, College and Career ministries started three weeks ago. I praise the Lord for a good group of trained leaders that are serving the Lord. Please pray for them.

Matias Jr. and his wife Krissia continue to experience the Lord's blessing in their ministry at Samaipata. Please pray for them. They are driving a 1977 truck and is not safe or comfortable for them to travel on the mountains. Also, they are expecting their first baby and my first granddaughter. If you are led to help them replace their old truck, please send your gift to BEMA designated for Matias Milton Mojica truck fund.

Thank you for your partnership in the Lord's work in Bolivia.

In Christ,
