Beloved in the Lord:

It is with a grateful and humble heart that, once again, we write to ask you for your prayers. To know you are petitioning our Lord on our behalf is a joy and comfort. Please remember to always pray for the staff here at the IBJM headquarters.

This is a time of traveling extensively to mission conferences at a good number of churches and colleges. We are thankful for the IBJM missionaries who are able and willing to take on the task of helping to recruit new missionaries (we need many more!) and assist with the training in churches and schools. Please pray for our global outreach team and IBJM leadership for protection and God's hand on their ministry.

"Except the Lord build the house, they labour in vain that build it..." Psalm 127:1.

We will also be conducting a candidate training school in Mexico and several "To the Jew First" conferences in the Philippines this Fall. In Mexico, we are planning for a well-attended time of training and exhortation. We are always thankful for the response in Mexico.

Lord willing, our first Filipino missionary family with IBJM will be relocating to their field of service at the beginning of 2019. There are other missionaries who are following. We are so thankful for the hundreds of Filipino churches sacrificially supporting missionaries to the Jews worldwide and for the new workers who are surrendering to go. Pray for these blessed churches and missionaries.

The renovation and expansion project of *The Everlasting Nation Museum* is well on the way to completion. We have clearly seen God's favor and blessing on this endeavor. It is going to be an encouragement to believers who love God's chosen people and a clear witness of the gospel of Messiah to all who visit. Pray for us to meet the financial need of this important project and to be able to complete it soon!

Thank you for your faithful support. Your gifts directly impact the gospel going to Jewish communities around the world. Jews and Gentiles are being saved and discipled, and local churches are being established. This is the central focus of all the ministry of IBJM. You are truly blessing God's Chosen People!

In Messiah,

Brother Ed Frampton
