

NOVEMBER/DECEMBER 2018 NEWSLETTER

Dear Pastors and Friends,

We thank you all for supporting us with your prayers during our furlough here in the states. During this period of a few months, we were able to visit seven churches holding Missions Conferences and were able to visit three new churches: Light House Baptist Church Utica, New York, Woodville Baptist Church, Blanchester, Ohio and Emmaus New Testament Church, Greenville, Ohio. Our prayer and hope is, that these 3 new churches will partner with us in the work of God in Nigeria, Africa. We thank the Pastors and the Members of these churches for their love, care and giving when we were with them! Thank you!

Secondly, during this furlough we were able to take care of our physical health needs as we had planned! We have visited doctors many times. My glaucoma surgery was successful. But the Doctor recommended two kinds of glaucoma eye drop medications that we are going to be using for rest of our life. Thank you for praying for our health! We are done with all and we are now set to go back to Nigeria anytime from this December. Our hearts are with our people and our work!

Would you continue to pray for our journey back home? Please take note that our U. S. phone number will cease to work and it will take a while before we get our Nigeria phone re-activated. But you can easily reach us using our email or address as listed below.

Update: Van / Bus Donations:

So far, we were able to collect \$5,800 which is about 45% of the total capital project for a used bus/van. We will save the money until it is complete to buy a used van or bus. We thank you for your donation for the Bus/Van project. Once again, I remind you to send your Van/Bus donation to our U. S. sending Church:

The Work in Nigeria Report:

Nigerians will go to the poll in February to either re-elect the sitting President for a second term or elect the other opposition leader, and so, Nigeria is going through a political mess with security lapses here and there throughout the country. Just last month BOKO Haram killed over 50 Nigeria Soldiers in the North East of Nigeria. But despite the fact of all these crisis, poverty and lack of security, our aggressive outreach won 2 Students of the University of Ilorin to Christ!

Pray also for our Son - Olugbenga David's Ministry among the Youth.

We wish you all a Merry Christmas and Happy New Year! We also thank you for your consistent and faithful support to God's work in Nigeria, Africa! Brethren, continue to pray for us. Thank you so much for your service in the Lord!
