## PAPUA NEW GUINEA

October - December, 2018

Dear Brethren,

We pray things are going well with you. We had a good time when Pastor Jacob Langdon, from Pennsylvania came to Papua New Guinea, from October, 22 to November, 7. He was able to visit the churches in the bush as well as the cities and preach in six churches. Also, we were able to take the airplane for a flight while he was here.

Concerning Sue, she is in Shelby, N.C. She is scheduled to return to the doctor and see if her thyroid is regulated, and working properly since her medication has been increased. I see her and talk to her most every day by internet, and she is feeling much better, and is sleeping through the night ok.

Please pray for me that I can get a safety pilot, to go with me to the mountain airstrip of the new mission station. I have a lot to get done before leaving in February.

**Recently, we sent out a letter in November, stating that we would be reporting to you (our supporters), after February 2019. We are sending you a proposed schedule, and need you to respond as soon as possible. We need you to let us know if this schedule will work.**

**We also need updated:**

- 1. The name of the church Pastor .**
- 2. A good Phone number to contact you at.**

**Please send your information to us at: [pngfair@gmail.com](mailto:pngfair@gmail.com), so we can contact you.**

Thank you for your prayers and support.

Yours in Christ
