

January 31, 2018

Dear RU Family,

RU Recovery Ministries would not be possible if it were not for people just like YOU. Your gifts to RU throughout 2017 are gratefully acknowledged.

This little “Bible Study,” that began in 1996, has reached more people and more places than we ever dreamed possible. As we move forward on this journey, God continues to clear our path and pave new roads. His destination for us is apparent, to see every life transformed by the power of the Gospel!

Because of your support, RU has been able to continue the work of reaching the addicted locally, regionally, and around the world. Your part in this work does not go unnoticed. We are excited to tell you that we are anticipating an even greater year in 2018!

Here are just a few things planned:

- National “Faith-Based Recovery for America” Initiative
- Increased Communication with Chapters and Donors
- RU Beyond Initiatives in the Philippines, Africa, Bolivia, and Ireland
- Increased Online Presence
- Website Improvement
- New RU Representative and Missionary Program
- RU Plus Residential Program
- 14<sup>th</sup> Annual National Conference (June 4-7)

As we look towards this new year, let us do so with a renewed vigor to see God do it...*again!* Join us as we watch His miraculous hand transform more lives in 2018.

Sincerely,

Pastor Paul Kingsbury
