

WORLDVIEW MINISTRIES

Fennell Family *follow-up*

1/2019

Report: It was a tremendous blessing to have **fourteen meetings** during the months of December and January. We were thankful to have the opportunity to present Worldview Ministries in **five new churches**, and we were thrilled to give an update in **seven of our supporting churches**. It was also a joy to fill the pulpit for a pastor, as well as to preach an anniversary Sunday for one of our supporting churches. In addition, it was a privilege to preach in a Christian School chapel. The Lord receives all the glory for allowing us to have a full schedule!

Upcoming Calendar: We are excited to report that we have a **full schedule through the month of April**. Our meetings will be in **Ohio, Alabama, and Arizona**. Five of these meetings will be missions conferences. In addition to regular meetings, I will have an opportunity **to travel to India at the end of February and Uganda in mid April**. More details will be given about these trips in the next news letter.

Support: We are grateful to announce that **three more churches have taken us on for support**. These three bring our total to **forty-four churches**, in addition to numerous individual supporters. Based on these additional churches, **our total support is now at eighty percent**. Our family is excited and grateful as we are nearing the end of our deputation journey. We thank the Lord for the churches that have partnered with us on behalf of the Great Commission and unreached people groups!

Family News: The next few months bring two graduations and a wedding! In May, our oldest son Bill **will be graduating from Pensacola Christian College**. Also in May, our third son Chad **will be graduating from Temple Christian Academy** in Howard, Ohio. Then, on June 29th, **Bill will be getting married in Pennsylvania, to Miss Charissa Joy Brown**. Though it is going to be very busy in the next few months, we feel very blessed to have these family events to look forward to.

Prayer Requests:

1. For our safety as we travel (Especially the India & Uganda trips)
2. For our schedule to fill with new church meetings.
3. For our support to continue to increase.
